COLE CARINI)

**UNITED STATES' UNOPPOSED MOTION TO CONTINUE SENTENCING
HEARING**

The United States, by counsel, moves this Court to continue the sentencing hearing currently scheduled for 10:00 a.m. on June 25, 2021. At the sentencing hearing, the government intends to offer testimony from Jack Barrow, Ph.D., who is the FBI Forensic Examiner who examined items seized from Carini's residence. Dr. Barrow has been deployed to the country of Colombia to investigate a bombing that occurred on or about June 15, 2021, and which targeted U.S. citizens. Dr. Barrow has been deployed since shortly after the bombing occurred, but the government expected that he would be available for Mr. Carini's sentencing hearing on June 25th. As of today, however, it appears that Dr. Barrow will not be available for the sentencing hearing because of his deployment to Colombia and the associated obligations. Accordingly, the government respectfully moves the Court to continue the sentencing hearing in this case.

The government has conferred with John Stanford, counsel for Mr. Carini, and Mr. Stanford has indicated that he does not object to a continuance.

Date: June 24, 2021
